

The Notion of Meeting Never Sounded So Good

Now more than ever is the time to plan to come together, to share ideas, to learn, to connect, to discover, and to look forward to a time when we can enjoy camaraderie with others.

Anaheim Majestic Garden Hotel provides meeting planners a unique and diverse array of meeting space, lodging options, catering selections and post-meeting adventure. All of it structured to give you the most value for your dollar and designed to address all mandated safety measures that bring you peace of mind. The end result is that your group stays focused on the business at hand and leaves having experienced some fun and adventure.

Being safety-focused doesn't mean removing all the fun from meetings. Surprise your attendees with a little magic at your next event, from outdoor movies and s'mores to a scavenger hunt in *Downtown Disney*, yoga on the lawn, and an in-house sushi-making class! We've designed these escapes with spacing and safety considerations in mind.

Let us guide you through a truly majestic event experience, ensuring a smooth meeting, conference or group event from beginning to end.
