## Productions

### About Denhardt Productions

Denhardt Productions (DP) is your partner in delivering exceptional in-person, virtual and hybrid event experiences. We design and produce conferences, fundraisers, staff and board retreats, awards ceremonies, networking events galas, and more. DP engages with clients to deliver their vision and provide an exceptional experience for attendees.

Before, during and after any event, DP collaborates with stakeholders to create a clear project timeline to meet deliverables, stay within budget, and ultimately deliver a top-notch event that supports the organization's overall vision.

Megan Denhardt, CAE, DES, President of Denhardt Productions, has over 16 years of experience in producing conferences and events. With DP, you gain a trusted partner with a deep understanding of the events space. We offer intimate, personal, and turnkey event planning services. We ask the right questions, listen closely, and advise appropriately. You are supported every step of the way with rock steady guidance.

We are reliable, thoughtful, dedicated – and have a lot of heart.

### Manifesto

DP believes that conferences and events is what **engages** a community. A critical aspect of developing and managing these many different types of face-to-face, virtual or hybrid experiences is the ability to forge positive relationships with volunteers, content leaders, and internal teams which Megan excels at. DP has the tools to plan, build, and carefully craft the structure of your event so you can deliver an immersive experience for your participants.

### Clients

DP is proud to have worked with many organizations representing diverse industries. Here is a sample of our clients:

## Services

## Event Production Services

We get it. Events are multi-faceted with myriad moving parts. You don't have to do it alone – or the way you have always done it! Lean on us for smooth event production from start to finish:

- Project management (exhibits, speakers, vendors, venues, logistics, budgets, and everything in between)
- Onsite management and run of show (registration, badge production, signage, printed materials, and more)
- Technology management (event app vetting, virtual platform vetting, implementation, web updates)
- Marketing management (targeted copy and email blasts)
- Logistics management of audio-visual needs, food & beverage, décor, etc.
- Create an engaging environment that fosters community building and connecting
- Virtual orientations and training of stakeholders, staff, speakers, and sponsors.

## Content Curation and Instructional Design

Transform your event into an exceptional experience. Engage DP to oversee:

- Content development, curation, speaker selection and management
- Speaker vetting, coaching, support, and management
- Design speaker development materials to enhance the quality of educational sessions.
- Consultation on educational design
- Manage, schedule, organize and coordinate educational programming, copy writing
- Respond to emerging issues and accommodate programming as needed
- Create instructional experiences, both face-to-face, online, and hybrid
- Moderator and emcee of Ignite and other programs

## Event Advisor

Looking to refresh and enhance your next conference or event? Are you trying to bridge the gap from where you are – and where you could be? We offer advisement and facilitation:

- Strategic event assessment to evaluate the health of your programs
- Insights on meeting and event trends to consider
- Unique learning formats and experiential design elements to spice up your variety of offerings
- Engagement tactics to turn your passive attendee into an active one
- Emcee, facilitator, and conference weaver to tie the content together
