

Where would you like to hold your next Meeting?

- ◇ On the San Francisco Bay overlooking a water vista?
- ◇ In the Marin Headlands close to the Pacific Ocean surrounded by 180,000 acres of National Parklands?
- ◇ In a retreat setting under redwood trees enjoying Marin County locally grown organic produce and cheeses?
- ◇ In a quaint Marin County village far away from the office and interruptions but not too far away to break the travel budget?

It's different here. And not by accident.

Marin County is just a little out there. As in, one famous bridge away from San Francisco. And right next door to the vineyards of Napa and Sonoma. Closer than you could ever imagine to everything that's unique in this clever corner of California.

There's hang gliding and kayaking. Fresh, sustainable agriculture. The pinnacle of luxury and the world's finest wines. All here in this special place. The home of holistic artists and goat cheese artisans. The birthplace of mountain biking and Obi Wan Kenobi. The natural habitat of those grateful for nature and of the Grateful Dead.
