

Housing Management

Maximize the use of your room blocks

IntheorIOUS Housing Management simplifies the reservation process for attendees and exhibitors and helps maximize the use of your room blocks. Our long-standing relationships with multiple hotels in cities nationwide help us negotiate the best contracts and gives us an inside track to the housing community. The integration of our housing and registration platforms provide a simple, seamless reservation process. Minimize your attrition risk and maximize your commission potential by providing a one-stop solution for your event.

Housing Management Highlights:

- Hotel negotiations and contract review
- Block and attrition management
- Post-event audits
- Back-end Housing Management utility
- Integrated registration and housing
- Lower rates for attendees and exhibitors
- Date flexibility
- Maximize commission and reduce attrition
- Attendee phone and email support
