## BACKGROUND

The Sharp Chula Vista Medical Center Pharmacy Residency Program is an ASHP accredited program that sits at the clinical and technological forefront of hospital pharmaceutical care. Residents will have an opportunity to gain hands-on clinical experience in interdisciplinary team-based care at multiple award winning hospital sites located throughout San Diego County. Unique to this program is the diversity of learning experiences that will offer invaluable opportunities for professional development in areas including, but not limited to: infectious diseases, internal medicine, emergency medicine, critical care, transitions of care, neonatal intensive care, and nutritional and metabolic support. Additionally, elective learning experiences in trauma, oncology, and specialty pharmacy, among others, will be available for those interested in these specialized areas. Residents will also obtain a teaching certification, precept students, and be given the flexibility to personalize the residency experience to meet their career goals.
