

ABOUT THE RESIDENTS

Joelene Nguyen, Pharm.D.

- **Hometown:** Westminster, CA
- **Pharmacy school:** University of New England – Portland, ME
- **Current rotation:** Cardiometabolic Clinic
- **Area of interest:** Diabetes, Cardiology
- **CSHP Poster:** A Pharmacist-led Ambulatory Care CardioMetabolic Clinic Becomes Virtual: Evaluating the Impact of COVID19 and TeleHealth
- **Fun Fact:** I have traveled to 17 states
- **What I like the most about DOHC:** I appreciate the autonomy that the ambulatory pharmacists have with patients and the medication management. It is great to have a supportive interdisciplinary team that trust and value your contribution in patient care.

Walton Yeung, Pharm.D.

- **Hometown:** Santa Rosa, CA
- **Pharmacy school:** Touro University California – Vallejo, CA
- **Current rotation:** Anticoagulation clinic
- **Area of interest:** Diabetes/Anticoagulation
- **CSHP Poster:** A Pharmacist-led Ambulatory Care CardioMetabolic Clinic Becomes Virtual: Evaluating the Impact of COVID19 and TeleHealth
- **Fun fact:** I like the smell of crisp morning air foaming soap
- **What I like the most about DOHC:** I like the people and the culture and the Palm Spring's heat.

Shahrzad Zand, Pharm.D.
