Today, pharmacy technicians are increasingly important members of the pharmacy team. Skilled pharmacy technicians are critical for the economic and efficient function of a pharmacy. However, training requirements for pharmacy technicians change often and are becoming more complex, creating a shortage of qualified pharmacy technicians.

Pharmacy Technicians University (PTU) offers:

- * Programs ranging from 93 to 605 hours of didactic, simulation, and experiential learning
- * The highest quality technician training resources in a variety of learning modalities
- * The first online tech training program that supports or exceeds the requirements for technician training in 50 states, including Washington, D.C.
