

# We Are Grateful to the Nation's Healthcare Providers

At Fresenius Kabi, we want to extend our heartfelt gratitude to all the nation's healthcare professionals. We are proud to support the heroic and selfless actions taking place on the front lines of the COVID-19 pandemic.

Right now, we might need to stand a few feet further apart, but it is more important than ever to all of us at Fresenius Kabi that we stand together. Shoulder to shoulder, we can care for the lives of those around us and help to ensure that communities across the country emerge from this crisis stronger than ever.

**Thank you for all you do.**
