Solutions for your busy pharmacy

We know pharmacy

- Managed by pharmacist
- We only serve pharmacy
- 60 years pharmacist experience on management team
- We evaluate and understand practice setting

Relieve your staff

Rx relief® provides high-quality, competent supplemental and full-time pharmacy professionals to reduce the burden on your pharmacy staff. Using our stringent evaluation process, we will only refer candidates who are extremely well-qualified for the type of pharmacy you run.

Relieve your time

We manage every step in the hiring process, so you can stay focused on more important tasks. We'll save you the hassle of recruiting, screening candidates, interviewing, and conducting background and reference checks. Our screening is much more stringent than the processes many of our clients use.

Relieve your budget

Rx relief can help you better match staffing levels to your workload, so you can avoid the high cost of overtime and the even higher cost of being overstaffed. Let the staffing experts help you get the most of your staffing dollars. It costs less than you think.

Our methodology of satisfaction

The Rx relief Candidate Selection Process

To ensure that our professionals are technically competent, computer literate, and able to handle any pharmacy situation, we adhere to a comprehensive screening process for each applicant that entails:

Personal interview and rating on the Rx relief professional competency scale

- Review of employment history
- Verify Board of Pharmacy standing
- Confirm licensing status
- Check insurance coverage
- Contact personal and professional references
- Check level of English language skills
- Determine professional fluency in other languages
- Drug testing (prior to their first assignment)
- OIG and EPLS Website and criminal background checks
- Joint commission certifies screening, competence, professionalism and performance
