VA Long Beach Health System is one of the most diversified tertiary healthcare providers in the VA. It is a teaching hospital, providing a full range of patient care services, with state-of-the-art technology as well as education and research. The pharmacy department is staffed by greater than 110 employees and provides complete clinical pharmacy services 24 hours daily, seven (7) days a week. VALBHS Pharmacy Service is committed to honoring our Veterans and providing exceptional health care. Join us at our virtual open house sessions so you can learn more about our facility and our pharmacy residency program!
