SOLUTIONS:

MEDICATION ADVISORY SOLUTIONS TO UPDATE, INFORM, AND EDUCATE CLINICIANS ACROSS THE CONTINUUM OF CARE

MEDICATION ADVISORY SUITE: From the authors of *Pharmacist's Letter*, cutting-edge medication advisory monthly publications and resources, including the most current evidence-based recommendations and e-learning tools in TRC "Letter" products and companion CE offerings.

- * Practice-specific products, tailored for use by clinicians across the care continuum including: *Pharmacist's Letter, Prescriber's Letter, and Pharmacy Technician's Letter*
- * Evidence-based resources to help clinicians educate patients, make informed decisions, and provide medication therapy management (MTM) services
- * Tailored for your care setting, market, and compliance needs:
 - Retail, Hospital, and Canadian Editions used by clinicians in community and retail pharmacy, hospitals and health systems, and group practice

NATURAL MEDICINE SUITE: Access to the world's largest natural medicine database, evidence-based natural and alternative medicines resources, and e-learning tools.

- * Evidence-based information on safety and effectiveness of natural medicines and alternative therapies
- * Professional (clinician use) and Consumer (non-clinician) Editions

PHARMACY UNIVERSITY SUITE: The latest advances in pharmacy education programming made scalable through flexible online learning, advisory resources, and easy-to-use training tools.

- * Online, interactive educational courses designed to prepare enrollees to pass national, state, and organizational pharmacy training programs and certification exams
- * Tailored for your care setting, market, and compliance needs:
 - Retail and community pharmacy, hospitals and health systems
