

peridoxRTU[®]

Sporicidal Disinfectant and Cleaner for Pharmacy Cleanrooms

HIGHLY EFFECTIVE
EPA-REGISTERED
SPORICIDE, FUNGICIDE,
BACTERICIDE, VIRUCIDE,
AND TUBERCULOCIDE

3-Minute
Sporicide Claim
at 99.9999%
Efficacy

3 MINUTES
PeridoxRTU[®]

5 MINUTES
Diluted Bleach
Solution

10 MINUTES
Alternative H2O2
Solution

Broad spectrum EPA-registered one-step, one-application disinfectant and hard surface cleaner*

Combat spores with the industry's fastest sporicidal claim

PeridoxRTU[®] eliminates and prevents the spread of spores, such as *C. difficile*, as well as more than 40 other pathogens like MRSA and ESKAPE pathogens – *Enterococcus faecalis*-Vancomycin Resistant (VRE), *Staphylococcus aureus*, *Klebsiella pneumoniae*, *Acinetobacter baumannii*, *Pseudomonas aeruginosa*, and *Enterobacter aerogenes*. PeridoxRTU[®] contains no alcohol or bleach, requires no rinsing and leaves minimal residue on surfaces.

This unique hospital grade sporicidal disinfectant and cleaner is ideal for use in pharmacy compounding areas to meet the germicidal detergent requirements of USP<797> and USP <800>. Compatible with stainless steel, PeridoxRTU can be used daily in the ISO Class 5 compounding area, buffer zones, and anterooms. Ideal for hazardous drug removal and decontamination.

According to the Centers for Disease Control and Prevention, EPA-registered disinfectants with a sporicidal claim have been used with success on environmental surface disinfection in patient care areas.

*Follow manufacturer's suggested instructions.

SPORICIDE FUNGICIDE BACTERICIDE VIRUCIDE* TUBERCULOCIDE

Experience the power of PeridoxRTU® Sporicidal Disinfectant and Cleaner.

Power that lasts

Patented, hyperactive chemistry provides fast results. With its shorter kill times and powerful wetting agents PeridoxRTU® stays wet and works faster. The result; assured efficacy against hard-to-kill spores and other dangerous pathogens every time you clean and disinfect.

Cost-effective non-bleach cleaner and disinfectant

PeridoxRTU® provides maximum effectiveness without the risks of bleach which can damage stainless steel, LCD screens, pharmacy equipment, clothing, carpet and other surfaces, as well as eliminates handling and mixing of bleach by pharmacy staff. PeridoxRTU's proprietary formulation contains surfactants for cleaning efficiency along with corrosion inhibitors for surface protection. In addition, one-step, one-application PeridoxRTU® saves time and labor cost compared to bleach, which requires rinsing and drying of surfaces.

Personal Protective Equipment (PPE)

Wear appropriate gloves and eye protection. Additional PPE may be required based on engineering controls/environment, method of application, and use protocols.

Ideal for hazardous drug decontamination on stainless steel surfaces. *Third party lab verified using common hazardous drugs.*

PRODUCT SPECIFICATIONS

Odor	Vinegar
Wetting Ability	Excellent
Freeze/Thaw	Stable
EPA-Registered*	Yes
% Hydrogen Peroxide	4.40%
% Peroxyacetic Acid	0.23%
Detergency	Excellent
Density	1.02 g/mL, 8.51 lbs./gal.
pH	1.9-2.2 at 20°C
Shelf Life (chemical potency)	
RTU (opened or unopened)	2 years
Sterile RTU (opened or unopened)	2 years
HMIS Hazard Rating	
Health	2
Flammability	0
Reactivity	0
Personal Protection**	X
