

The Rx relief® Advantage

For over twenty-five years Rx relief® has been known as **Your Trusted Pharmacy Staffing Partner**, providing a variety of employment solutions for pharmacists, pharmacy interns, and pharmacy technicians in all pharmacy practice settings. We're known for the level of **professionalism**, and **respect** with which we treat our employees; as well as the professional assignments they work.

At Rx relief®, we consider ourselves **"An Alternative to a Traditional Career in Pharmacy"**. Pharmacy professionals working for Rx relief® enjoy control over challenging assignments with respected firms, flexible, customized scheduling through staffing coordinators trained to match our professionals to the assignments of their choice, and our state-of-the-art scheduling software. Rx relief® can also provide professional development and cross-training for those pharmacy professionals wanting to experience the **excitement**, and **challenge** of other pharmacy disciplines.

At Rx relief® we make it easy to work with us because we've designed our service delivery programs to eliminate unprofessional confusion and to provide **higher job satisfaction**; and we do it all without the distracting arm of *bureaucracy*. We believe that handling simple temporary job details smoothly helps manage expectations, improve the overall level of communication, and helps create a more satisfying work experience.

Many of our Rx relief® pharmacy professionals enjoy the **flexibility** we offer because it affords them the ability to spend quality time with family, to take those special vacations they'd never have a chance to experience with traditional pharmacy careers; or the time to pursue personal endeavors without the conflict of a restricting job.

Being part of the Rx relief® team of professionals' means you not only earn the **highest pay** in the industry; upwards of \$100,000 in many areas; but you can also be eligible for some of the **best benefits** in the industry.

***Our benefit package includes:**

- Health Insurance includes prescriptions
- Vision Care
- Dental Care
-Rx relief® will pay 80% of your health, vision, and dental benefits if you work as few as 30 hours weekly.
- Weekly Payroll with Direct Deposit
- 401 (k) and Deferred Compensation Programs
- Cafeteria Plans
- LOW-COST FROUP HEALTH BENEFITS FOR PART-TIME ASSOCIATES

Rx relief® is a company based on customer service, professionalism, competence, integrity, and responsiveness.

Therefore, Rx relief® seeks the finest pharmacists, and pharmacy technicians to partner with Rx relief®, and our clients to provide consistent, and seamless staffing, and to give immediate productivity. It's all to provide a high level of healthcare to our client's customers.

*Exceptions to the above listed benefits are those hired to staff certain contract facilities where our benefits program does not apply, or your employment contract does not include these benefits.
