Lucile Packard Children's Hospital Stanford, one of the nation's top pediatric hospitals as ranked by *U.S. News and World Report*, welcomes pharmacists to join our ASHP Accredited PGY2 Pediatric Residency Program.

As a PGY2 resident, you'll further your professional competence, expand your clinical knowledge and develop a philosophy of pharmacy practice in a facility that's committed to providing an exceptional health care experience to its patients. As a quaternary care referral center, with 397 licensed beds, and more than 13,000 inpatient admissions each year, we offer a challenging diverse caseload to our residents.
