## BACKGROUND

Sharp Memorial Hospital is part of the Sharp Healthcare System, a large, non-profit integrated regional healthcare delivery system based in San Diego, California. The PGY1 Pharmacy Residency conducted by Sharp Memorial Hospital has an accreditation candidate status with ASHP. The PGY1 Residents will have an opportunity to gain hands-on clinical experience in interdisciplinary team-based care in multiple diverse patient care settings. Unique to this program is the diversity of learning experiences that will offer invaluable opportunities for professional development in areas including, but not limited to: infectious diseases, internal medicine, emergency medicine, critical care, cardiology, solid organ transplant, oncology, neonatal intensive care, and nutritional and metabolic support. Residents will also obtain a teaching certification, precept students, and be given the flexibility to personalize the residency experience to meet their career goals.

Candidate

## RESIDENCY HIGHLIGHTS

### Committees

- Pharmacy and Therapeutics (P&T)
- Safe Medication Practice
- Other supervisory and multidisciplinary committees as appropriate

### Leadership

- Chief Resident for 2 quarters (3 month term) coordinating and scheduling tasks for the residency team
- Maintain correspondence with pharmacy administration and preceptors
- Other duties as necessary for the development of the residency program

### Projects & Presentations

- Present throughout the year to medical and nursing staff, pharmacy students and staff, and among fellow residents
- Rotation and formal seminar presentations
- Collaborate with residency preceptors and coordinators to select an area of interest and complete an in-depth, systematic study suitable for publication and presentation
- Prepare and collect data for medication use evaluations and formulary monographs
- Additional projects are completed as requested by the resident, preceptors, pharmacy department and system

### Teaching

- Integrated within patient care activities and through the provision of educational support to pharmacy students and staff, nursing and medical staff, and others
- Work closely with pharmacists in the preceptorship of pharmacy students on clinical learning experiences from multiple pharmacy schools
- Residents will obtain a teaching certification through the San Diego Pharmacy Residency Leadership Program (SDPRL)

### Educational Opportunities

- Sharp HealthCare conferences
- Professional meetings and conferences (CSHP Seminar, ASHP Midyear, Western States Conference)
- Certifications (BLS, ACLS) and additional ongoing learning modules

### Compensation

- The annual base stipend will be an estimated \$47,000 plus benefits
- Financial support is provided for approved educational opportunities, conferences, and travel
- Number of positions: 2

## PURPOSE

The PGY1 pharmacy residency programs build on Doctor of Pharmacy (PharmD) education and outcomes to contribute to the development of clinical pharmacists responsible for medication-related care of patients with a wide range of conditions, eligible for board certification, and eligible for postgraduate year two (PGY2) pharmacy residency training.

## GOALS & OBJECTIVES

- Manage and improve the medication-use process related to formulary and oversee dispensing
- Provide evidence-based, patient-centered care plans with interdisciplinary teams
- Exercise leadership and practice management skills
- Effectively manage transitions of care
- Provide medication and practice-related education to patients, caregivers, students, healthcare professionals, and the public
- Participate in the management of medical emergencies
- Contribute to formulary decisions
- Demonstrate additional competencies that contribute to the healthcare environment

***“To improve the health of those we serve with a commitment to excellence in all that we do”***
