NATURE'S HEALTHIEST INGREDIENTS

Our unique products are much more advanced than just a traditional CBD product – they contain beneficial ingredients sourced from the far reaches of the world, scientifically blended to deliver optimal synergistic benefits.

- Andiroba Oil
- Buriti Oil
- C10 Calming Colostrum™
- Colostrum-Derived Protein™
- Glucosamine HCL
- Green Tea Extract
- Hemp Seed Oil

- Immunopeptide™
- L-Lysine
- Lemon Myrtle
- Liex Paraguayensis
- Methylsulfonylmethane
- MOS MAX™ Prebiotics
- Taurine

STATE-OF-THE-ART COLOSTRUM

Many of our formulations contain condition-specific, proprietary colostrum extracts, rich in peptides and essential nutrients, playing a crucial role in nurturing cell membranes, accelerating immune responses, and acting as a natural defense against spontaneous environmental stressors and seasonal allergies.
