SUPERFOODS

Organic Turmeric

Has been used in India for thousands of years as a spice and a medicinal herb. This SUPERFOOD has powerful anti-inflammatory properties and very strong antioxidants. Also, it helps with brain function and lowers the risk of heart disease

Organic Quinoa

This SUPERFOOD is high in protein, packed with antioxidants, vitamins, minerals, and amino acids. It has been known to have anti-inflammatory properties to help with joint function. Because it is very low glycemic, it has been known to help with blood pressure and blood sugars. Plus, it is a good source for Omega 3-6.

Blueberries

Another SUPERFOOD is high in antioxidants, vitamins, minerals. They are a great source of fiber. They are known to help reduce blood pressure, blood sugars, and cholesterol. Perfect to support heart health.

Green Beans

They are high in protein and a great source of fiber. Plus, they are full of vitamins and minerals. This helps support a healthy skin and coat.

Flaxseed

Is high in Omega 3-6 fatty acids that support a healthy skin and coat. It is high in fiber for digestive health. Plus, it is high in vitamins and minerals. It is known to help with heart health, and it has anti-inflammatory properties.
