WHITING-TURNER

# understanding knowledge sensitivity

***"Whiting-Turner continued to focus not on [reasons] for why they could not get their job done, which were plenty, but instead provided strong leadership in making sure the project succeeded regardless of the challenges. It has been a remarkable success story."***

Michael Matthews, Jr. - Owner's Representative for the Terraces at Edenwald  
Matthews Development Company, LLC

***"You made a promise to us during your first interview that you would never forget that this campus was home to several hundred seniors and was the workplace for another several hundred staff, and you have done that. To all the Whiting-Turner team, thank you."***

Kathleen Anderson - President & CEO Board of Trustees  
Goodwin House

***"Whiting-Turner has done a masterful job of communicating, coordinating and cooperating with our operations team in order to minimize disruption to residents and maximize the efficacy of our construction dollars. I find Whiting-Turner to be one of the very best providers of preconstruction and construction management services and would not hesitate to call upon them again in the future."***

Thomas Seybold, JD - Executive Vice President  
Westminster Ingleside Group, LLC

***"...Whiting-Turner was our company of choice because their experience and capabilities far surpassed other prospective contracting partners. Right from the start, we received excellent service, beginning with strong preconstruction support and accurate estimates done with an efficient eye to value engineering."***

## Understanding

Whiting-Turner supports your mission to accommodate the wide range of cognitive and physical senior activities by demonstrating our experience in:

- Life Plan Community
- Independent living
- Assisted living
- Long-/short-term skilled nursing
- Memory care

## Sensitivity

If you are expanding and/or renovating an existing facility, our proven construction protocol promotes the safety, security and continued comfort of your residents.

We strive to become an integrated part of your team. Our many LEED Accredited Professionals are also responsive to any sustainability initiatives you may establish.

## Knowledge

Seniors expect and deserve facilities that respond to their individual needs. We understand the need for facility flexibility, and we have the skill to manage the construction of resident options or upgrades.

Whatever method you use to secure financing for your facility, Whiting-Turner has the experience to meet your specified requirements. This includes:

- Tax credits
- Housing and Urban Development
- Tax-exempt bonds
- Conventional methods
