

HOUSEKEEPING & LAUNDRY

UNPARALLELED SERVICE

Healthcare Services Group has one of the most comprehensive housekeeping and laundry services program in the industry today. From customized programs and procedures to extensive training and quality assurance initiatives to the use of the latest technologies and products, HCSG proven systems provide an integrated support that results in unparalleled service and performance.

MEETING EVERYDAY NEEDS

From general housekeeping services to designing a laundry system that ensures resident apparel is properly processed, inspected and delivered, we are dedicated to implementing the right program for your facility. We evaluate the everyday challenges and objectives to help achieve the maximum efficiency.

FOCUSED ON SUCCESS

Our managers take the time to understand your needs so we can recommend solutions that will enhance your facility's housekeeping and laundry performance. Whether you are exploring new ways to increase resident satisfaction, developing new protocols to optimize employee productivity or looking to enhance your facility's overall physical appearance, Healthcare Services Group is the partner of choice to help you achieve success.

Healthcare SERVICES GROUP

Founded in 1976, Healthcare Services Group (HCSG) Inc. delivers exceptional Housekeeping, Laundry, Dining and Nutritional services to an ever changing and growing healthcare market:
