Deerfield, Asheville NC

## Overview

THW Design has had a **full service Procurement Department for more than 15 years** providing comprehensive procurement services for Senior Living, Health Care, Hospitality, Corporate, and Retail Clients. Services include furniture, light fixtures, window treatments, art, plants and accessories. Our personal and hands-on approach provides the highest level of customer satisfaction as well as **strong relationships and positioning with vendors** in the industry. Our Procurement Department works collaboratively with our designers, consultants, and suppliers to meet the needs of our Client's, and their goals.

**THW Design's Procurement Department** is committed to maintaining and meeting the necessary deadlines while exceeding the expectations of the client, and those involved in the project. As a company, we take pride in our honesty, experience, and professionalism to maximize the results and execute the project efficiently. During this process our agents not only negotiate, but they apply their **long-term knowledge** of the industry and their relationships with the vendors to meet delivery needs and owner budgets. A large part of the Procurement Department's responsibility is to provide collaboration, communication and coordination amongst all disciplines.

**Dedicated to satisfying Clients, THW Purchasing strives to ensure that the finishing touches of a design are in place to complete the vision and exceed expectations.**
