Applying Analytics to Drive Effective Recruitment Strategy

Improve and drive results with our time-to-fill optimization.

Optimize the candidate experience and conversion rates through engagement analytics.

Client and physician satisfaction surveys mean constant insight and progress.

Discover the Difference that Creates Strong Relationships Coast-to-Coast.

Partnering with Jackson Physician Search means choosing the fastest growing, permanent physician recruitment firm in the industry. This is a testament to our commitment to be the only search firm to use an all-digital sourcing strategy, which enables our clients to quickly secure candidates who fit the culture and will succeed in the role.

Coast-to-coast — across all specialties — our trusted recruitment experts stand ready to help you hire your next physician, physician leader or advanced practice provider.

“We had a difficult search come up about a year ago for General Surgery, and we worked with Jackson Physician Search to fill that position. They took time to listen and understand the philosophical fit we were looking for and, within just a few weeks, sent us a short list of candidates – one of which now has a thriving practice in our community.”

Jeff Turner, CEO, Moore County Hospital District

Jackson Healthcare is a family of companies that serves more than seven million patients in over 1,300 healthcare facilities.

Jackson Healthcare, our parent organization, has risen to a place of prominence among the largest healthcare staffing, search and technology companies in the U.S. We share in Jackson Healthcare’s mission to improve the delivery of patient care and the lives of everyone we touch.
