A GAME-CHANGING RECRUITING PLATFORM FOR COACHES

The screenshot shows a web interface for a recruiting platform. At the top, there is a dropdown menu labeled 'All Teams' and an 'Email All' button. Below this, there are tabs for 'Invite Athletes', 'VIDEO UPDATED', 'SENT', and 'LAST LOGIN'. The main content area displays a list of athletes with their profiles and associated data. A circular callout highlights the following data points:

Video Updated	Sent	Last Login
6/9/18	197	2/11/19
9/29/17	161	2/11/19

- Track activity to promote athlete accountability and transparency with parents
- See which colleges your athletes are targeting and recommend realistic options
- See which athletes are on track with recruiting and which ones need help
