

NCSA is the world's largest college sports recruiting network.

Top reasons to join NCSA (Next College Student Athlete)

- 95% of college programs have had an NCSA athlete on their roster.
- **Get exposure:** Connect with 35,000+ college coaches across 34 sports.
- **Find schools:** Discover colleges and see their team roster openings.
- **Get help when you need it:** Ask your questions to recruiting experts.
- **Track college coach activity:** See which coaches are looking at your profile.
- **Learn how college recruiting really works:** Get access to online training and resources that give you a recruiting advantage.

Use powerful tools to help you get recruited

- **NCSA Recruiting Profile:** Add your athletic stats, highlight video, academic information, personal statement, college preferences and more to make it easy for coaches to evaluate you as a recruit.
- **Highlight and skills videos:** NCSA has a video editing team to help you turn your raw footage into an attention-grabbing video.
- **Message Center:** Contact every college program, create custom email templates, sort incoming college coach messages and more.
- **Match Analysis:** See a visual snapshot of how you'd fit academically and athletically at a specific college.
- **College Search:** Search for schools by major, cost, location and more.
- **NCSA Favorites:** Build your target list by finding teams that are recruiting your position or event.
- **Recruiting education:** Access the largest library of recruiting education, classes and videos, along with interactive progress cards to help you along the recruiting journey.

"We're committed to staying ahead of the curve in the way we train and prepare student-athletes to compete at every phase, including the college recruiting game. NCSA is another tool we can use to give them a competitive edge." – Chris Locke, Head of School, IMG Academy
