Introducing **FREE** Live Video Streaming

Stream your games live from GameChanger Team Manager and bring the action straight to everyone. It's 100% FREE to stream and watch on iOS and Android devices. Using a smartphone, a staff member can broadcast a live video stream from within the GameChanger Team Manager app.

[Learn More About Live Video >](#)

The same great features you're used to

GameChanger Team Manager has the same features as GameChanger... and more.

Our scorekeeping tools have been enhanced with things like in-game play editing on iOS and now Android. In addition to our scorekeeping tools you still get 150+ season stats as well as new season long pitching and hitting spray charts.

Live GameStream will remain a great tool for family and fans who can't make the game and want to enjoy anywhere.

Enhanced Team Management

Coaches can stay on top of their teams easier than ever with useful tools including alerts, messaging, photo sharing, and RSVP ability.

Save time by setting your starting lineups before the game.

Automated alerts will keep everyone informed and Calendar Sync allows you to view your full team schedule on your personal calendar.

The Staff Portal on the web will be coming soon!

Upgrading is easy

STEP 1

Get GameChanger Team Manager

To get started, download the GameChanger Team Manager app to your smartphone or tablet and create an account.

STEP 2

Import Your GameChanger Teams

Once logged in, you will see a screen with an option to import your old GameChanger teams. Follow the prompts to import your teams.

STEP 3

Start your new season or roll over your roster from last season as a starting point

While your past GameChanger teams are importing you can add your new team by tapping the "+" icon in the top right of the "My Teams" tab and follow the instructions.
