

REPAY[®]

Realtime Electronic Payments

Intelligent technology. Realtime payments.

We've made it our mission to keep payment processing simple, transparent and reliable every time. From our advanced technology to our superior customer service, we ensure nothing gets in the way of your ability to service accounts and get paid.

With top national third-party loan, dealer and receivables management systems and next-generation payment methods, we help simplify integration and make payments easier for you and your customers.

FLEXIBLE PAYMENT METHODS

We give your customers the flexibility to pay however they choose. Whether your customers prefer the on-the-go access of a mobile app, the ease of pay-by-text, or the security of a web portal, we've got the options you need to create a frictionless payment experience.

RELIABLE PRODUCTS

We tailor our solutions to the unique needs of each industry we serve. We also have long-standing relationships with multiple banks so you can rest assured you'll always have uninterrupted access to funds. Plus, with our advanced integration options, we can quickly get your solution set up and accepting payments.

CREDIT AND DEBIT PROCESSING

Having realtime payment options for customers is essential. With REPAY credit and debit processing, you can accept cards as a form of payment at your location, online and even from your customers' mobile phones.

- Realtime payments
- Flexible payment methods
- Enhanced security
- 24/7/365 customer service

AUTOMATED CLEARING HOUSE (ACH) PROCESSING

Fast, reliable payments keep transaction fees down and satisfied customers up. As payments are collected, they are stored by destination and then transmitted electronically at the end of every day.

- Same-day ACH
- Late cutoff times
- Weekend processing
- 24/7/365 customer service
