### DIALED-IN PAYMENTS FOR THE ARM AGENCY

Since 2010, our powerful payments have provided agencies across the country with innovative, secure, and cost-effective solutions. Our one-stop payment shop offers high functionality with room to grow as you see fit. Whether you need a robust self-service payment platform or an easy to adopt agent-facing terminal, we understand that no two businesses are alike. Our solutions are custom-built to meet each of our clients' current needs and future goals. With a decade in the receivables management payment space, our best in class processing platform is often imitated, yet rarely duplicated. Ready for a better way? Contact us to start collecting more for less today!
