A Subsidiary of ACA International

True Cost of Insurance

Is your insurance premium the actual cost of the coverage?

"I use to think the cost of insurance was the amount of premium I paid. Working with Collectors Insurance Agency, I come to realize the importance of a stable A rated carrier, knowable industry reps, and the best underwriting and defense in the industry etc. "

— Alicia Leshner, Senior Vice President; Central Portfolio, Inc.

- \$ Coverage inadequacies from jumping carrier to carrier
- \$ No litigation strategy increases claim expenses
- \$ Potential loss of clients due to lack of indemnification
- \$ Increased defense costs coping with an inexperienced adjustor
