

Vigilant-CMSsm

Next generation Compliance Monitoring Software and Services.

We've taken the secure foundation of Noticing Networksm and enhanced the service set, data transformation and identification algorithms to provide a solution to help better manage your customer portfolios and avoid costly regulatory violations.

Vigilant-CMSsm protects you from bankruptcy stay law violations, FDCPA violations, SCRA violations, and TCPA violations with pinpoint accuracy using timely information and watchful monitoring of your account portfolios.

Vigilant-CMSsm Services:

- **Daily Bankruptcy Monitoring Services**
- **Daily Deceased Monitoring Services**
- **Litigious Debtor Identification**
- **Active Duty Military Verification**
- **Telephone and Mobile Phone Verification**
- **Locate Services (Address, Phone, SSN, Employment)**
