"Optometry allows me the flexibility to provide for my family and still have time to enjoy my family and give back to my community."

[DR. SANDRA FORTENBERRY, TEXAS OPTOMETRIC ASSOCIATION PRESIDENT, 2019-2020]

*According to the American Optometric Association

UNIVERSITY OF THE INCARNATE WORD

ROSENBERG SCHOOL OF OPTOMETRY

The UIW Rosenberg School of Optometry (UIWRSO) offers a four-year Doctor of Optometry (O.D.) degree based in the medical model, emphasizing individualized attention and clinical development. The curriculum combines classroom experience and direct patient care, providing early exposure to clinical training captured through community outreach programs, rotations through the UIWRSO clinical network, and externship sites.

"I have never known a faculty so committed to our success until I arrived at UIWRSO."

[**EVANGELI INOCANDO, UIWRSO 3RD YEAR STUDENT**]
