

Your Students' Future in Medicine Starts Here

St. George's University
SCHOOL OF MEDICINE

Grenada, West Indies

SGU's **network of more than 18,000 physicians** has practiced in every state in the United States, as well as in **over 50 countries around the world.**

1. Train here. Practice anywhere.

- SGU is **accredited by the Grenada Medical and Dental Council** which is recognized by the NCFMEA as a US (LCME) comparable accreditor
- The **US Department of Education** deemed SGU accreditation **comparable to US accreditation.**

2. SGU has a vast clinical network, offering students choices for the highest-quality clinical training.

70+

leading hospitals and health systems in **three countries**

3. SGU provides an outstanding pathway to US residency training.

#1

provider of doctors into **first-year US residencies** for the last 11 years combined.¹

95%

residency placement rate for eligible 2020 US graduates who applied for US residencies.²

2nd

largest source of actively licensed physicians in the entire US workforce.³

4. SGU graduates have practiced at all *US News and World Report's* top US Hospitals⁴

18. Barnes-Jewish Hospital (tie)

18. Keck Hospital of USC, (tie)

20. Houston Methodist Hospital

Tanner Storozuk, MD '19
Pathology resident, University of Chicago

“St. George’s does a great job of preparing you to succeed beyond medical school. More and more SGU grads are entering US residency programs every single year—and if you haven’t met an SGU grad yet, you will eventually.”

5. SGU prepares students for the United States Medical Licensing Examination (USMLE).

94%

first-time pass rate on the USMLE Step 1 in 2019. The more than 1,250 SGU students taking the exam for the first time hailed from **48 countries over six continents**. They posted an impressive **mean score of 221**.

6. SGU supports our students throughout their education.

Our **award-winning Department of Educational Services** supports students’ personal and professional development and success.

8:1

ratio of students-to-faculty in **75% of classes and labs**

Our **state-of-the-art facilities** help prepare students for exams at SGU, the USMLE, residency, and beyond.

7. Our campus feels like home.

Students enjoy the benefits of a thriving multicultural environment on the True Blue campus, offering **all the amenities and facilities of a world-class institution**.

- High-quality accommodations to support their life and studies
- 60+ student clubs and organizations.
- Full sport and recreation facilities
- A variety of dining and food shopping options available on and off campus

8. We invest in our students.

- SGU is **approved by the US Department of Education** for US federal loans. US students can **borrow up to the cost of attendance**.
- **Approximately 28% of each entering class** is awarded institutional scholarships, with awards based on academic excellence and/or need.

Seeing SGU is believing

You and your students can visit St. George’s University—virtually. Our interactive, 360-degree tour will allow you to experience SGU’s beautiful campus at your own convenience. Discover our state-of-the-art labs, newly redesigned residence halls, gorgeous beaches, student centers and more.

To enter the tour, visit sgu.edu/vr.

For an even more immersive experience, fill out the request form at sgu.edu/advisorsvr, and we will send you a pair of SGU virtual reality goggles.
