

A minimum of 24 semester credits of life and physical sciences must be earned with at least half of the courses containing a substantive lab component.

**Preferred Sciences:**

*Life Sciences*

Anatomy  
Anatomy & Physiology  
Biology  
Biomechanics  
Exercise Physiology  
Exercise Science  
Kinesiology  
Nutrition  
Physiology

*Physical Sciences*

Biochemistry  
General Chemistry

- Intro to Chemistry
- Chemistry I
- Chemistry II

Organic Chemistry  
Physics

**Additional Accepted Sciences:**

*Life Sciences*

Botany  
Cell Biology  
Ecology  
Genetics  
Marine Biology  
Medical Terminology  
Microbiology  
Molecular Biology  
Pathology  
Wildlife Biology  
Zoology

*Physical Sciences*

Astronomy  
Earth science  
Environmental Science  
Geology  
Meteorology  
Oceanography  
Physical Science  
Statistics
