

And that's a 97% match rate

19 Mar 2021

The wait is over for those who participated in the 2021 National Residency Match Program, a rite of passage in which applicants learn who has been 'matched' to a US residency program for the next chapter of their medical training.

This year, 88 UQ Ochsner graduates entered the match and achieved an incredible 97% match rate - they are now heading to some of the nation's most prestigious residency programs.

Among them:

- University of Arizona (Dermatology)
- Brown University (Family Medicine)
- University of Chicago (Anesthesiology)
- Duke University (Neurosurgery)
- Dartmouth (Internal Medicine)
- Henry Ford Health System (General Surgery)
- Ochsner Health (Anesthesiology, Primary Care, Medicine Prelim, Internal Medicine, Padiatrics, Surgery Prelim, Psychiatry, Emergency Medicine)
- University of Southern California (Emergency Medicine)
- Stanford University (Pathology and Family Medicine)
- Washington University (Internal Medicine and Obstetrics/Gynecology)
- Yale University (Emergency Medicine)

They matched in the following specialties:

- Anesthesiology
- Dermatology
- Emergency Medicine
- Family Medicine
- General Surgery
- Internal Medicine
- Neurology
- Neurosurgery
- Obstetrics/Gynecology
- Orthopedic Surgery
- Pathology
- Pediatrics
- Physical Medicine and Rehab
- Psychiatry
- Radiology
- Vascular Surgery
