- [Physical Therapy](#)
- [Respiratory Care](#)

Tuition & Fees

The cost of attending UTMB's programs are among the lowest of its kind in Texas, and financial aid is available.

- For more information on **Tuition and Fees**, visit:
<https://www.utmb.edu/enrollmentservices/resources/studentaccounts/shp-fee-sheet>
- Questions concerning **Financial Aid** can be directed to the Enrollment Services Financial Aid office at (409) 772-1215 or by visiting:
<https://www.utmb.edu/enrollmentservices/resources/financial-aid>

Health Education Center

UTMB's Health Education Center is an essential part of the university's long-term vision to improve health and lives in Texas and beyond. It provides both the space and the technology to support increased enrollment and train students to work in interprofessional teams for the benefit of the patients they will one day serve. The 160,000 sq. ft., five-floor building is the first facility of its kind at a university in Texas and represents the most significant additional to UTMB's infrastructure in more than 40 years.

The brand new, state-of-the-art medical education center includes:

- 77 Bed Simulated Hospital
- 5 Floors of Cutting-Edge Simulation Facilities
- The 5th floor is equipped with 2 simulated operating rooms, 10 ICU rooms, multiple control and monitoring rooms and 2 debriefing rooms
- The 4th floor hosts our standardized patient program and has 16 patient exam rooms, 3 training rooms, 3 debriefing rooms and a monitoring & control room
- The 3rd floor has 16 individual patient rooms covering adult, child, infant and maternity simulations. This floor also has a large flexible space that can be set up as a PACU or an OB suite, as well as 2 large debriefing rooms, 2 small debriefing and 1 monitoring & control room
- The 2nd floor has 3 large skills labs offering a total of 30 physical examination spaces, a virtual skills lab, 3 debriefing rooms and 1 monitoring & control room
- The HEC hosts numerous task training pieces of equipment as well as over 60 low, mid and high-fidelity manikins for creating real-life simulations
- The control rooms on each floor allow seamless operation of manikins while remotely being able to view and record simulations through integrated software

Scholarships

All current and newly admitted students are invited to apply to UTMB Health's online scholarship application through MySTAR.

Visit the UTMB Scholarship page for more information at:
<http://shp.utmb.edu/Scholarships/>

Campus Safety and Emergency Preparedness

The UTMB Police Department provides a safe and secure campus where the pursuit of higher education, research, and health care can be achieved.

UTMB Alerts is UTMB's Emergency Notification System is a "reverse 911" system that delivers information to students, faculty and staff using several methods of communication, including:

- Telephone and text messages
 - UTMB Alert Site
 - iUTMB Homepage
- Broadcast e-mails to all UTMB e-mail accounts
- UTMB institutional Facebook and Twitter postings

Emergency Preparedness

Emergency Situations Emergency situations can arise for all kinds of reasons. The key is to know what your options are when they do. UTMB has specific plans for emergency preparedness.

UTMB Emergency Operations Plan.

https://www.utmb.edu/emergency_plan/

In the case of any emergency, including weather emergencies, all instructions will be communicated through the UTMB Alert website, UTMB home website, and the broadcast media.

https://www.utmb.edu/emergency_plan/communications/utmbalerts/overview

Campus Student Organizations

UTMB currently has over 100 registered student organizations on campus! These organizations range from professional interest groups and service alliances to cultural organizations and recreational clubs. Each year these organizations continue UTMB's tradition of community service, civic engagement, and cultural celebrations by organizing hundreds of projects for the campus and the Galveston community.

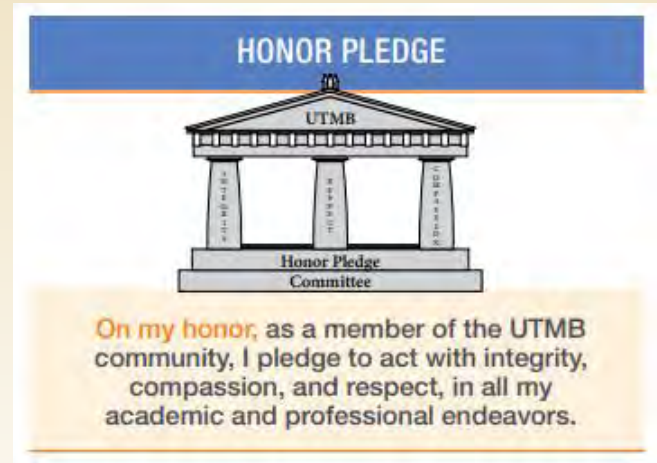

The Office of Student Life oversees the registration and creation of all student organizations and acts as a resource for reserving university facilities, budgeting, event planning strategies, and more!

Learn more about our currently registered organizations at:
<https://www.utmb.edu/studentlife/get-involved/studentorganizations>

Leadership Opportunities

The Student Government Association is dedicated to improving the students' academic, social, and cultural environments. The Student Senate consists of representatives from all four schools. This body controls all funds and determines the policies of SGA. It is important that responsible individuals are elected to this body as they represent the students and are instrumental in making decisions that will affect the student body.

For more information, visit:
<https://www.utmb.edu/studentlife/get-involved/sga/about-sga>

Other Opportunities

- Honor Pledge Committee
- Student Life Advisory Committee
- Welcome Weekend Committee
- SHP Student Ambassadors

Student Housing

ON-CAMPUS HOUSING

The University of Texas Medical Branch encourages students to take advantage of all the benefits of living in the University's on-campus dormitories. On-campus housing offers its residents low rent and facilities that are conveniently located within walking distance of all Medical Branch buildings. This can translate into savings of time and money over long commutes and parking fees.

DORM PROGRAM

The UTMB Student Housing Dorm program consists of three residence halls offering 55 rooms for our full-time students. The dorm program provides students with an opportunity to live on or near campus at affordable prices.

For more information please contact UTMB Dorms Management at (409) 772-1898 or via Email at UTMB.Studenthousing@utmb.edu

Or visit <https://www.utmb.edu/auxiliaryenterprises/housing/dorm-program>

APARTMENT PROGRAM

The UTMB Student Housing Apartment program is located at the Ferry Road Apartment complex and offers housing for students and their immediate family. The Ferry Road Apartments offer one bedroom efficiencies, two bedroom and three bedroom apartments, as well as one 3 Bedroom House.

For more information please contact Student Housing Management at (409) 750-9792 or via Email at UTMB.Studenthousing@utmb.edu

Or visit <https://www.utmb.edu/auxiliaryenterprises/housing/apartment-program>

OFF-CAMPUS OPTIONS

Some students live off campus. A good source of information for any community is the local Chamber of Commerce. Information on housing is available on the Galveston website <https://www.galvestonchamber.com/home/>

For additional housing opportunities for UTMB students, visit: Galveston Living <https://www.galveston.com/galvestonliving/>

Galveston Apartment Locator - <https://www.galveston.com/galvestonliving/apartments/>

Parking

STUDENT PARKING

Fees:

- *Student Parking Permit: \$80 Per Year
- Surface Lots: \$21 Per Month
- Parking Garages: \$32.50 Per Month
- G4 Roof Top: \$180 Per Year

All full-time UTMB students may purchase a Student Parking permit for \$80, which is valid from September 1 through August 31 of each year. These permits may be purchased from the Parking Office located at 914 Market Street, Galveston, TX 77555, inside Campus Store on first floor.

*These permits are valid in designated student spaces on a first-come/first-served basis.

For any questions, please contact the Parking Office at (409) 266-7275 or via email at parking@utmb.edu.

Or visit <https://www.utmb.edu/auxiliaryenterprises/utmbparking/student-parking>

Virtual Open House Information Sessions

The University of Texas Medical Branch, School of Health Professions is now offering Virtual Open House events, which are online Zoom webinar sessions for students to get firsthand information about our programs of study.

Presented by our department faculty admissions advisors, our virtual open house sessions offer you the unique opportunity to learn more about admission requirements, prerequisites, application for admission process, degree tracks, and the health professions as they relate to health care delivery and career development and more!

These sessions will consist a formal presentation followed by time for questions. To participate, please submit an RSVP and follow the instructions provided below for the day of.

We invite you to RSVP at <https://shp.utmb.edu/openhouse/>
