GANNON
UNIVERSITY

RUSKIN, FL

Morosky College of Health Professions and Sciences

Gannon University's Morosky College of Health Professions and Sciences is a collaborative community of faculty, staff, clinical educators, and students located in Erie, Pennsylvania, and Ruskin, Florida. We are recognized for the exceptional quality of our academic programs, the expertise of our faculty, staff, and clinical educators, and our successful preparation of graduates for employment or matriculation into graduate programs in the health professions and sciences.

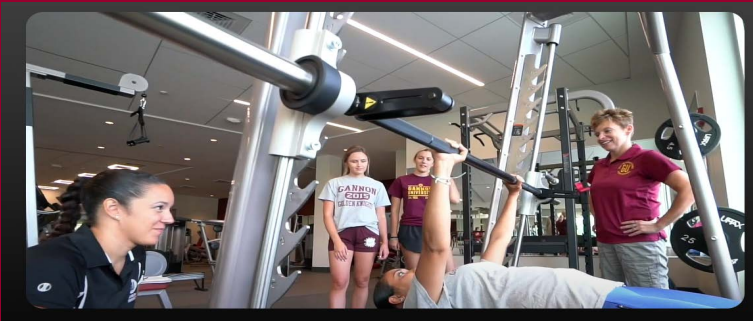

Featured Graduate Programs

Athletic Training

Master of Athletic Training (MAT) program provides comprehensive didactic, evidence-based, and clinical education opportunities to prepare students for a career in athletic training. The MAT provides outstanding classroom and clinical instruction in the prevention, recognition, evaluation, treatment, and rehabilitation of physically active individuals. The Master of Athletic Training program is accredited by the Commission on Accreditation of Athletic Training Education (CAATE) located at 2001 K Street NW, 3rd Floor North, Washington, DC 20006.

Sport & Exercise Science

Master of Science in Sport and Exercise Science (MSES) program provides students the opportunity to gain knowledge and experience needed to improve performance and health in people in all walks of life, including elite athletes, active and sedentary individuals, as well as aging populations and those with chronic conditions. MSES students receive advanced training in human performance consisting of knowledge, skills and abilities in biochemistry, nutrition, psychology, physiology, and sport and clinical exercise physiology. The Master of Science in Sport and Exercise Science is accredited by the Commission on Accreditation of Allied Health Education Program (CAAHEP) - 1 of 2 in Florida.

BELIEVE IN YOUR POTENTIAL

At Gannon, we offer an engaging and supportive graduate school experience. Our expert faculty can relate to your needs as they remain active participants in research projects, public speaking events, clinical practices and business management. We offer both on-campus and virtual student support resources to ensure student success throughout the entirety of your program.

We provide small, intimate class sizes where questions are welcomed and discussions are a key part of our courses. We strive to provide all the resources each student needs to earn their degree, and to celebrate success in a current job or a new career. Alumni are supported in both job placement services and employment preparation.

LOCATION IS EVERYTHING

Gannon University is comprised of two vibrant campuses- Ruskin, Florida and Erie, Pennsylvania.

Our campus in Ruskin, is located on the west coast of Florida. The hands-on, community-based curriculum offered at our Ruskin campus prepares you to meet an increasing demand for high-quality graduate education in disciplines that serve the healthcare sector of the Florida economy and beyond. The accessibility to several major Gulf-Coast cities affords our students numerous opportunities for clinical experiences as well as personal experiences.

25mi South of Tampa
35mi SE of St. Petersburg
38mi North of Sarasota
48mi SE of Clearwater
