

A Community Resource for Special Needs Planners

ACADEMY OF

SPECIAL NEEDS PLANNERS

Community

A Network of Support:

- Learn from and network with some of the most experienced and respected attorneys in the field.
- The level of development doesn't matter – ASNP has all the resources to help you strengthen your practice.
- Our ListServ makes a network of nationally recognized special needs planning attorneys accessible to each member.

We're the organization of choice for those in the special needs planning field.

We pride ourselves on **providing the most trusted and expert information to attorneys and families alike**. We've been passionate about providing special needs resources for families and attorneys for over 10 years.
