

Mobility Made Easy!

When there is little or no place for large capital expenditures to provide accessible transportation for your beneficiary, Mobility Support Systems has an answer for you with its all inclusive leasing program. Included in a single monthly payment are the following:

- **The vehicle and conversion**
- **Insurance**
- **Maintenance to include oil changes, tires and brakes, etc**
- **Extended warranty for the chassis and the conversion**
- **24/7 roadside assistance**
