

National Care Advisors

CONCIERGE CARE

We know that time is money and your time is valuable. Access to Exclusive Services and Quality of Life are important to you. Independent individuals value partners that can develop, implement and manage life's necessities especially when it comes to maintaining quality of living.

Concierge Care, brought to you by National Care Advisors, provides platinum consulting services in Life Transition Planning, Benefits Management, Estate Planning and Quality of Life Care Planning designed to fit the individuals' goals and desires of you and your family.

Transition Planning: We don't like surprises and we don't think you do either. National Care Advisors' Concierge Care consultants help to minimize the risk and decrease the likelihood of emergencies by creating sustainable life transition plans that meet your quality of life goals. We know that life happens; when it does, your exclusive Concierge Care consultant is ready to work for you:

- Coordination of Personal Assistance
- Home Management Assistance
- Assistance in Universal Design Housing

Benefits Management: A balanced portfolio includes hours of sourcing and maximizing available health related benefits for yourself and/or your family. We know those hours take away time for the more enjoyable aspects of life. National Care Advisors' Concierge Care expertise is the vehicle to find and negotiate these details:

- Gain access to lucrative cost saving health benefits
- Long term care insurance planning
- Health insurance evaluation
- Compassionate care planning
- Coordination of benefits

Life Planning: You've worked hard crafting your position in life and would like to leave your loved ones the legacy you, and they, can be proud of. Your dedicated Concierge Care consultant will join forces with your financial and legal partners to assist in preserving the sustainable quality of life considerations that you have envisioned for your future generations:

- Future care cost analysis
- Special needs considerations
- Physical or developmental disability
- Mental health issues
- Addiction support

Quality of Life/Life Balance: As a discriminating individual you want services you need, when you need them! National Care Advisors' Concierge Care provides a suite of services that ensure peace of mind, wellbeing and access to a sustainable independent and vibrant life style.
