Managed Home Maintenance Program

Property management designed for homes in trust that provides a “Durability” solution year over year. This program is inclusive of:

- Home maintenance planning tool designed to provide 10 year budgetary requirements
- Predictable monthly management expense
- Annual Inspections
- Home Assessments
- On call staff to assist with scheduled and unscheduled home repair coordination
- Quarterly Maintenance calls
- Ongoing maintenance coordination
- Continual HVAC maintenance program including semi-annual on-site service calls per year
- 4 HVAC standard size filters direct shipped to the home annually.
- 24 hour call line including after hours at no additional cost
