

Greetings:

Thank you for your interest in FND Trust Services. We hope that the information in this folder will be helpful to you and your clients. At FND, we try to live what we believe is a simple truth – our clients are our families.

FND has been around for many years and we've seen many changes. Through it all, we've continued to put one thing above all others – the needs of our beneficiaries. We think this is what makes FND Trust Services unique among trustees and providers. Also, as a disability organization with many programs serving people with disabilities, we can help you help your clients. We can provide extra value to you by making sure that we continue to serve your clients for many years to come.

As an attorney, I know how important that can be – both in terms of providing excellent service to your clients and in peace of mind for you. We'd like to have an opportunity to help you and your clients. If we can be of help, please contact us. We look forward to being of assistance.

Very truly yours,
