

# STOP LIQUID ASSETS AND HARD WORK GOING DOWN THE DRAIN

**THE NEGATIVE DOWNSTREAM IMPACTS OF SEISMIC EVENTS ARE NUMEROUS AND OFTEN NOT APPRECIATED UNTIL IT'S TOO LATE.**

ONGUARD systems greatly reduce your risk of experiencing:

- Loss of product
- Business interruption
- Compromised workplace safety
- Loss of hard-won market share
- Financial blows to both bottom line and balance sheet
- Difficulty in getting insurance
- Infrastructure damage
- Environmental impact
