TOSSWARE POP

Product Lineup

For a long time, people thought about disposable drinkware as basic, red or clear cups – convenient but flimsy and easily destructible. We took the opportunity and made our version convenient, stylish, sustainable, and fully upscale with thoughtful functionalities in mind. Our patented designs and distinguished form and function set us apart and we can't wait to show you what we've got!

The background of the slide features several slices of grapefruit and two glasses of pink grapefruit juice. The grapefruit slices are arranged in a circular pattern around the central text. The glasses are positioned on the left and right sides, each containing a slice of grapefruit and a straw. The overall aesthetic is fresh and vibrant, with a focus on the natural colors of the fruit.
