CERTIFICATION REQUIREMENTS EXPORT ANALYSIS

22 JANUARY 2019

GO GLOBAL WITH ETS

ETS Laboratories is internationally recognized as a qualified third-party provider of analytical certificates which meet the many and varied requirements of different countries and individual importers. Our ISO 17025 accreditation and TTB certifications assure importers that our certificates are rendered professionally.

Our staff is well versed in the different types of forms required by the EU and Pacific Rim, and are available to provide guidance as necessary to make the paperwork process as painless as possible.
