WINERY BONDS

Why Do I Need a Surety Bond?

Wine, brewer's and distilled spirits business owners have an obligation to pay all applicable alcohol taxes. If you (the Principal) were to fail to comply with the obligations set forth by the Tax and Trade Bureau (TTB), the TTB can enforce a surety bond requirement. In addition to the tax payment obligation, businesses generating more than \$50,000 in tax liability are required to file a surety bond. In either case, the TTB can make a claim on the bond to recover any unpaid taxes or fines.

What does it Cost?

The premiums for TTB Wine, Brewer's Distilled Spirits or Tax Deferral Surety Bond is dependent on Credit, and the required amount of bond. But generally, premium rates are 1% of the bond amount with good credit.
