

Sentia Wine Analyzer

January 2021

**THE POWER OF A LAB
IN THE PALM OF YOUR HAND.**

Introduction disclaimer

A man in a plaid shirt is walking away from the camera through a room filled with wooden barrels. The barrels are stacked on metal racks. The lighting is warm and focused on the man.

SENTIA

THE POWER OF A LAB
IN THE PALM OF YOUR HAND.

Important disclaimer

Presentation

This presentation is intended to provide a general outline only and is not intended to be a definitive statement on the subject matter. This presentation is not financial advice and has been prepared without taking into account the objectives, financial situation or needs of a particular person.

Company

Neither the Company, nor its officers or advisors or any other person warrants the accuracy of the analysis herein or guarantees the investment performance of the Company. Investors must make their own independent assessment of the Company and undertake such additional enquiries as they deem necessary or appropriate for their own investment purposes.

Statements

The statements contained in this presentation that are not purely historical are forward-looking statements within the meaning of the United States Exchange Act. Forward-looking statements in this presentation include statements regarding our expectations, beliefs, hopes, intentions or strategies. All forward-looking statements included in this presentation are based upon information available to us as of the date hereof, and we assume no obligation to update any such forward-looking statement as a result of new information, future events or otherwise. Our actual results could differ materially from our current expectations.

Risk

The Company is subject to a number of risks. For a summary of key risks, refer to the Company's most recent Form 10-K filed with the United States Securities and Exchange Commission and the Australian Securities Exchange.

Securities

Under applicable United States securities laws all of the shares of our common stock are "restricted securities" as that term is defined in Rule 144 under the Securities Act of 1933, as amended. Restricted securities may be resold in the public market to United States persons as defined in Regulation S only if registered for resale or if they qualify for an exemption from registration under the Securities Act. We have not agreed to register any of our common stock for resale by security holders.

Sentia is a hand-held,
portable testing device
which will **change the nature
of laboratory testing** in
the wine industry

The Sentia logo consists of a stylized house icon above the word "SENTIA" in a bold, sans-serif font. The logo is positioned in the top right corner of the image, which is a circular inset showing a person using the device. The background of the inset is a blurred wine cellar with wooden barrels.

SENTIA

THE POWER OF A LAB
IN THE PALM OF YOUR HAND.

Sentia

SENTIA delivers **medical grade** biosensor technology to the wine industry

SENTIA delivers **gold-standard** specificity and sensitivity **for free SO₂ testing** and will deliver Glucose, Fructose and Malic Acid testing capability during 2021

SENTIA will deliver **significant cost savings** and productivity gains to the wine industry

Universal Biosensors (UBI)

A **world leader** in electrochemical cell technology

UBI has a long **history of innovation** and delivery in MedTech

UBI's technology platform has been used to deliver more than **10 billion diagnostic tests** to patients worldwide generating billions of sales dollars

UBI has a history of establishing **global partnerships**

UBI's design for the Xprecia Stride Coagulation Analyzer has been globally recognised winning the **Red Dot Award** for high design quality

SIEMENS

Johnson & Johnson

SENTIA

State of the art production facility

UBI has a **purpose built**, high volume,
fully automated manufacturing facility

UBI's facility is capable of making
millions of sensors per week and
is ISO certified
