

“Excellence in Wood for Your Wine”

Oak Wood Series Description

Our special crafted series is derived from using the finest cuts of white oak wood and enriching its attributes with a limited toast, enhancing the bouquet and flavor of your Wine!

American & French Oak Wood Series

* **Vintage Series** - is our classic high quality unscreened white oak wood that is delicately mixed for performance. Its unparalleled mixture allows this series to have the fastest extraction rate possible while maintaining plentiful flavor to enhance your wine.

* **Premium Series** - is our highest quality of white oak wood that is screened to perfection allowing a slow maturation to embrace the mouthfeel of a full-bodied wine!

* **Signature Series** - is crafted to create your own personal perfect pairing of white oak wood and its toasted flavors. Our unmatched toasting levels offer endless combinations to suite your winemaking needs.

* **Economical Series** - is a unique time-saving product combined of both unscreened and screened white oak wood. This series offers an assorted large chip that provides a fast extraction rate giving you a solid foundation for a quality wine!

* **Gourmet Series** - is a specialized series perfected from the naturalness of flavored wood, sharing an invigorating taste for your wine.

* **Stave Series** - is crafted of premium quality staves used to contend a barrel. Extraction is received from every cellular angle resulting in a premium fine wine!

* **Barrel Series** - offers select oak products that cost effectively replenish the oak flavors of your neutral or used barrels. This series extracts at a low-intermediate rate reserving the tedious toasted taste one would expect of a select wine!
