Cooperage

Tonnellerie Doreau

- Artisanal Bordeaux cooper
- Fruit-driven finesse excellent with both whites and long-aged reds

Tonnellerie Vernou

- Famous for long, sweet finish
- Special Burgundian barrel
- Best barrel for Sauvignon Blanc

Tonnellerie Fouailly

- Burgundy's smallest cooper
- Exclusively uses 3-year-aged oak
- Emphasizes fruit and round tannins

Cornerstone Cooperage

- Old-growth Pennsylvania oak
- Long toasting, waterbending

O'Sullivan® Coatings

Known for quality, performance and durability, *O'Sullivan® Coatings* are formulated to protect wineries and vineyards.

- 5-X650 BarrelGuard (*aka* Mildewcide)
- 5402 High Gloss Epoxy
- 5413 Wet Surface Liner
- 5-964 Gondola Enamel
- RE-84 Rust Converter

Wine Capsules / Screwcaps

- Custom & stock tin and aluminum
- Custom & stock polylam
- Screwcaps—stock & custom

Barrel Alternatives

Tank & mini-staves, inserts, chips, powders, segments and finishing oak from *SuberOak*, Australia's leading producer.

- Unique flavor profiles that emulate French cooperage

SuberOak Liquid Finishing Tannins

- Instant integration of aromas, flavors, and structure
- Diverse selection for all wine styles

AQ Oenological Tannin

- For use during fermentation
- Stabilizes color. Enhances structure & aromatics. Protects against oxidation.
