Columbia Label is a Premium Wine Label provider that specializes in wine labels. Literally 90% of our printing is wine labels, more than any other printer in Washington. We are conveniently located in the epicenter of Washington's AVA's. In addition, Columbia Label has the most wine label embellishments available to wineries. We understand the quality that is needed when dealing with such a demanding product and our team is always ready to go above and beyond to make sure we meet your needs. We can work with the most complex design and finishes from large to small runs of custom wine labels. We are here to meet your bottling dates and make sure you love your labels.
