Capsules, Coiffes & Muselets

Premium Tin

This is the premium line of our product collection. 100% recyclable, its sustainability factor is a stand-out. This safety seal is crafted from a single, seamless piece of tin that fits any type of bottle perfectly.

Prestige

The Prestige capsule line features a wide variety of options to suit any need with its materials: poly laminate and aluminum.

Leaders in quality

Inspiration

More sustainable, innovative solutions that provide maximum quality.

Basic

Immediately available, to address the most urgent demands. Wide variety of colors.
