# SHAPEART

A new offer to help elevate your brand.

*We provide more than a closure.*

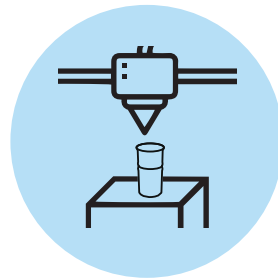

We **guide** you through every step of creating your shaped closure, **ensuring it fits your brand identity** and technical requirements.

## » OUR 5-STEP PROCESS

### DESIGN

Create your unique shape with the help of our design team

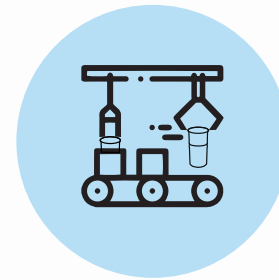

### 3D PROTOTYPE

We fabricate your designed shape in aluminium

### TEST RUN

We deliver a short run of 1 000 samples for on-site testing

### MANUFACTURING

We develop the tooling for production of your shaped closures

### DELIVERY

We produce your bespoke closures and deliver them to your bottling line

## » BENEFITS

### DIFFERENTIATION on shelves

Catch the eye with a unique shape

### PREMIUMIZATION with aluminium

Offer an upscale look & feel

### RECYCLABLE closure

Choose a sustainable solution

## » SHAPE OFFER

SHAPEART enables you to create dynamic aluminium silhouettes:

### REFINED & ELEGANT

### ARTISTIC & TEXTURED
