ZFA STRUCTURAL ENGINEERS

For over 45 years ZFA Structural Engineers has worked with winery owners who seek innovative, practical design solutions for their new facilities, expansions and remodels. Our firm's origins are rooted in the wine industry, and with a resume of over 1,000 successful and award-winning projects, the winery sector continues to be the hallmark of our firm. Our company has fully integrated offices in San Francisco, Silicon Valley, Sacramento, Napa, and Santa Rosa, with a staff of over 70 people, including 23 Structural Engineers and 18 Professional Engineers. From boutique tasting rooms such as the Law Estates Wines in Paso Robles to the renovation/retrofit of the Historic Freemark Abbey Winery in Napa. ZFA is experienced and passionate about wineries.

What we offer to our customers:

- § New Building Construction
- § Expansions / Production Facilities
- § Existing Building Evaluations / Assessments
- § Seismic Retrofits
- § Tank and Equipment Anchoring
- § Crush Pad and Catwalk Design
